10 Top Tips for Supporting Children with Special Educational Needs and Remote Learning

<p><u>Routine</u> Establish a timetable with short bursts (15 mins) of learning followed by brain breaks (having a snack, jumping on the spot etc) Use a timer.</p> 	<p><u>Reading</u> Read with your children <u>every day (5 - 10 mins)</u>. Record them reading and post on Seesaw. Children who can read independently should also read and record so the teacher can hear them.</p> 
<p><u>Positive feedback</u> Watch what the child is doing and give regular positive feedback.</p> 	<p><u>Post any examples of learning</u> Put photos, recordings or videos of your child learning even if it isn't the exact learning that was set.</p> 
<p><u>Practical activities</u> Use activities such as cooking, cleaning or gardening to develop language, counting, estimating etc</p> 	<p><u>Handwriting</u> Develop fine motor skills by doing cutting, sewing, drawing, painting and playdough etc</p> 
<p><u>Counting/number</u> Always have items such as pens, pasta or spoons etc available when children are doing number work.</p> 	<p><u>Walk and talk</u> Use the outside to consolidate number or phonics: play 'eye spy', counting steps, forwards and backwards, in 2s etc</p> 
<p><u>Useful websites</u></p> <p>https://www.specialneedsjungle.com/distance-education-resources-for-children-and-young-people-with-send/</p> <p>https://www.bbc.co.uk/bitesize</p>	<p><u>Word lists and Number squares</u> Have a list of everyday words available: https://www.twinkl.co.uk/resource/t-l-5089-new-common-exception-words-years-1-and-2-word-mat Number square: https://www.twinkl.co.uk/resource/t-n-800-space-themed-100-number-square</p>
