

## Welcome to Year 3 Autumn 2021

We hope your child has enjoyed their start to Year 3 and is settling into the new routine and looking forward to an exciting and full year ahead.

### **UNIFORM**

Our school uniform consists of a black or grey skirt or trousers, these should not be jersey or leggings, a white shirt or blouse and a red sweatshirt or cardigan. Children should also wear black shoes to school-trainers may be worn for PE only. Long hair should be tied back, this helps control the spread of headlice and also keeps your child's working area clear. Any hair accessories should be small and plain coloured. Jewellery and makeup are not permitted, except stud earrings. These must be covered or taken out for PE.

Please can we ask that your child's name is on **everything** - it really helps us to return items to their rightful owners!

### **PE**

We will have PE on **Thursday**. Our P.E. kit consists of our house colour t-shirt, black shorts / leggings or jogging bottoms, black top or school sweatshirt and plimsolls or trainers. We are continuing with the same procedure as last year, so please send your child to school on Thursday wearing their PE kit. If they wear school shoes on Thursday, please bring PE shoes to school in a separate bag.

### **Home Learning**

Each half term we will send home a project to complete that is related to our learning in the classroom. These will come out at the beginning of the half term to give you plenty of time to complete them.

We will also be using SEESAW (an online platform) to send home weekly spellings and maths work. You will have been resent your individual password and details of how to join SEESAW separately.

### **Read Write Inc.**

Some children will continue to have a daily Read Write Inc. session, following the same format as Year 2 but will work on increasing their complex sounds and read books appropriate to their reading level. They will continue to learn to read and write words which are not phonically regular (common exception words). Other children will have a daily reading session, where they will learn the specific skills they need to develop them into a fluent and able reader.

Each day, your child will bring home a reading book that will match the phonic sounds or reading level that they are on at school. These books are for the children to read independently at home. They will also bring home a book that they will have chosen from our reading library. This is a book for you to share together and these books will have a sticker in the righthand corner indicating this. Hearing your child read every day, alongside reading a book with them, will greatly support them to develop the reading skills they need in Year 3.

### **11 BEFORE 11 is back!**

At Beccles Primary Academy, we commit to giving every child a minimum of 11 adventures beyond the ordinary from the time they join us in Nursery, to when they leave us in Year 6.

11 before 11 takes pupils beyond the usual, outside of the classroom, and inspires them to continue to take on new challenges. Pupils will develop different aspects of their characters, learn new skills, and find out more about themselves through the programme.

***In Year 3, our 11 before 11 experience is to Sleep under the Stars! More details to follow very soon 😊***
