

Maths

As Mathematicians, we will learn...

- To sort objects into groups
- To copy and continue simple patterns, such as, blue, green, blue, green.
- To explore numbers 1,2, 3, 4 and 5
- 2D shapes – circle, triangle, square and rectangle
- Subitising

Literacy

As readers and writers, we will learn...

- To recognise and write our name, mostly correct
- To associate sounds with each letter of the alphabet
- To begin to blend sound together to read simple words such as 'dog'
- To suggest how a story might end

Communication and Language

As communicators, we will learn...

- Answer 'who', 'what' and 'where' questions
- Follow two part instructions
- To listen to and talk about the stories they have heard
- To describe events in some detail
- Join in with familiar rhymes and songs

Personal, Social and Emotional Development

As people, we will learn...

- To begin to identify a range of emotions
- To recognise and say what I am good at
- To talk to new adults and new friends
- To be aware of and follow rules, knowing why these are important
- Express likes and dislikes

Expressive Art and Design

As creators, we will learn...

- Develop fine motor skills
- To manipulate materials with a purpose in mind
- Experiment with different textures
- To draw from imagination
- To develop drawings of people and begin to show their emotion

Curriculum overview

Year R
