Primary Academy

HEADTEACHER'S HELLO

Dear Families,

Welcome back to a brand new academic year! We hope this will be our best yet, filled with exciting opportunities and meaningful learning experiences for all our children.

This year, we're giving our newsletter a glow-up! We're refreshing its style and content to make it more engaging and useful for you. But we'd love your input — what do you enjoy reading about? Are we sharing the right kind of updates? Your feedback is incredibly valuable and helps us improve how we communicate with you. Please feel free to share your thoughts by emailing us at office@becclesacademy.org.

Thank you for being part of our school community. Let's make this year a fantastic one — together!

Warm regards,

Mrs Wells

DATES TO NOTE

Monday 15th September - Class & Individual photos

Friday 19th September - Year 6 Trip

Tuesday 30th September - Family Cooking Session

Thursday 2nd October - Family Cooking Session

Monday 6th October - Local Governing Board Meeting

NEWS AND UPDATES

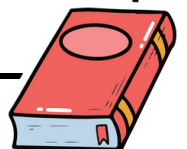

We would like to share some important staff news with you. Sadly, we will soon be saying goodbye to two of our much-loved team members as they move on to exciting new adventures.

Miss White will be stepping away from education to embrace new challenges. Her nurturing spirit and dedication to her pupils have been deeply valued, and she will be greatly missed by both staff and children.

Mrs Manders will be joining the local Community Family Hubs, where she will be sharing her expertise with younger families. While we are sad to see her go, we are incredibly proud of this next step in her career. She also hopes to return in the future to deliver parent courses and family sessions, which we know will be warmly welcomed.

We wish both Miss White and Mrs Manders every success and happiness in their future paths, and we are sure you will join us in sending them your very best wishes.

Their final working day with us will be Friday 26th September.

FLYER FOCUS

We're excited to introduce a fresh approach! Each edition will spotlight a few classes at a time, giving them the recognition they deserve.

To celebrate all achievements more regularly, we'll be sharing updates on Facebook and Instagram — so please consider following us! Don't forget to like, share, and comment on our posts to help spread the joy and support our amazing community.

Magnetite class have been diving into the fascinating world of Cubism in their art lessons.

They've studied the groundbreaking work of Pablo Picasso and Georges Braque, and are now creating their own pieces inspired by this bold and exciting art movement.

We can't wait to see their unique interpretations come to life!

Reception and Year 1 have made a wonderful start to the term and have settled back into class routines with enthusiasm. The children have enjoyed spending time getting to know one another and building new friendships. A particular highlight of our week has been exploring the dressing-up rail, where children have loved transforming into their favourite characters from books and television. This has sparked lots of imaginative play, while also helping our confidence to grow as we share ideas and connect through shared interests.

Year 2 had a fantastic time visiting Broak Oak Farm, made possible by generous funding from The Country Trust. We enjoyed a peaceful woodland walk, learned all about the lifecycle of wheat and its many uses, and met a host of wonderful animals — including a day-old chick. It was such a memorable experience... we wish we could go every week!
