HEADTEACHER'S HELLO

One of the greatest strengths of our school is the incredible community spirit shown by our families. Over the past few weeks, we have seen this shine through in so many ways. When we put out a request for baby clothes to support a family in need, the response was immediate and overwhelmingly generous. Moments like this remind us how lucky we are to be part of such a caring community.

This willingness to help is something we see every day. Just this week, as I was taking a table outside to prepare a display, a parent stopped to ask if they could lend a hand. They then spent ten minutes helping set out our World Book Day costumes. Acts like this happen all the time, and we are so grateful.

World Book Day itself was another wonderful example of your support. Every child who wanted to dress up had the opportunity to do so, thanks to the time, creativity and effort from families at home. The joy and pride on the children's faces spoke for itself.

I would also like to celebrate our Year 6 pupils, who have taken on the challenge of raising the funds for their own trip to London. Their initiative, determination and teamwork have been inspiring, and they continue to make us proud every step of the way.

With Bingo Night, the Year 2/3/4 play, and many more events on the horizon, there is so much to look forward to. Thank you, as always, for being such an engaged and supportive school community.

Have a great weekend!

FLYER FOCUS

As part of our Art and Design lessons, Year 5 have been looking at Textiles and Collage. We are taking inspiration from natural objects to create textile art, creating collage and applique techniques to create work that depicts textured surfaces and using a variety of materials including things from nature. This lesson focused on weaving using a warp and weft technique with different materials including willow branches.

INTRODUCING HAMISH AND MILO

Hamish & Milo Families Together is a series of workshops for parents, carers and family members that link directly to the Hamish & Milo wellbeing intervention programme.

Families Together offers insight into the programme themes, concepts, theory, content and approach, as well as building on the collaborative partnership with school. Family members experience Hamish & Milo, gain insight into what their children are learning, share home-to-school experiences in a safe environment, and meet other families to benefit from a mutual support network.

Each week has a different emotion theme covering the main theory and learning, practical techniques and skills and an opportunity to share thoughts and develop a common language to help better support their children's social and emotional development and wellbeing.
