

Maths

As Mathematicians, we will learn...

Counting 4 – Take and give 1, 2, 3:

- Choose a group to count
- Take out 3 from a group
- Look for collections of large and small amounts
- Give others 3 items

Literacy

As readers and writers, we will learn...

To make a variety of different marks, with meaning, concentrating on pencil control & grip

Communication and Language

As communicators, we will learn...

Turn take and share and concentrate on our marvellous manners

Personal, Social and Emotional Development

As people, we will learn...

How plants and foods grow. What do they need to grow, and how to eat healthily.

Expressive Art and Design

As creators, we will learn...

Create a ladybird using a variety of materials to make a display based on our topic 'Down at the bottom of the garden'

Curriculum overview

Nursery

Summer Term

Physical Development

As movers, we will learn...

To move with control and co-ordination, linking, copying and repeating actions

Understanding the World

As explorers, we will learn...

Discuss what is a farm, what happens on a farm and how things grow. What vegetables do we like?
