

# THE FLYER

April 2026 Edition

## HEADTEACHER'S HELLO

Welcome back to all our families after the Easter break. We hope you had a lovely time, whether that included full-on adventures or a well-deserved rest. We have gone straight back into our learning for the Summer Term and are really looking forward to the many events and school trips coming up over the weeks ahead. Please continue to keep an eye on your emails and our social media channels for updates throughout the term. We are also very much looking forward to welcoming you to Parents' Evening next week and encourage you to book an appointment if you have not already done so. We will be joined during the evening by members of our Governing Board, who would be delighted to speak to any parents interested in becoming a Parent Governor, so please do stop for a chat if this is something you would like to learn more about.

At Beccles Primary Academy, our vision and values continue to shape everything we do. We remain committed to providing a nurturing, inclusive and positive learning environment where every child feels welcome, valued and a strong sense of belonging. By holding high expectations, delivering high-quality learning experiences and promoting determination, aspiration, collaboration, resilience, respect and engagement, we strive to develop confident, enthusiastic learners who are well prepared for the next stage of their education. Thank you for your continued support as we work together to help every child thrive.

At  
**Beccles**  
Primary Academy we

Our vision is for Beccles Primary Academy to be a nurturing, inclusive and positive learning environment in which every member of our community feels welcome and has a strong sense of belonging. We are committed to developing the whole child and creating life-long learners who strive for excellence and are well-equipped for the next stage in their education.

Our core aims...

To be an inclusive community where everyone feels welcome and valued.

To promote a safe, secure, and inspiring learning environment.

To uphold high expectations and raise aspirations.

To deliver a high-quality, varied curriculum through exceptional teaching and learning.

To inspire enthusiastic, resilient, independent learners who are determined to achieve.

Our core values...

Determination

Aspiration

Resilience

Respect

Collaboration

Engagement

## PARENTS EVENING

Please remember to book your Parents' Evening appointment via the online booking system or through the school office. This is a valuable opportunity to see your child's progress and to discuss how you can support their learning at home

# FLYER FOCUS

This week, our Early Years pupils enjoyed a very special visit from Pakefield Pastures, who brought along seven adorable lambs, as well as some guinea pigs and rabbits, to meet the children. The lambs were free to roam around the Reception outdoor play area, although most of them seemed happiest enjoying cuddles (and milk!). Some of the lambs were only two days old, which made the experience even more exciting.

The rabbits and guinea pigs also received plenty of gentle love, and the joy on the children's faces made the visit truly memorable. Some children were even shaking with excitement! We were incredibly proud of how well the children listened to instructions and showed such care and kindness towards our furry and woolly visitors.

More photos are available on our Facebook page!

## HAMISH AND MILO PART 2!

We are looking for our next set of families to join us for our Hamish & Milo Workshop!

Starting Tuesday 5<sup>th</sup> May and running for 10 sessions.

Please let us know via the office if you would like to be considered.

## WHAT'S IT ALL ABOUT?

Hamish & Milo Families Together is a series of workshops for parents, carers and family members that link directly to the Hamish & Milo wellbeing intervention programme.

Families Together offers insight into the programme themes, concepts, theory, content and approach, as well as building on the collaborative partnership with school. Family members experience Hamish & Milo, gain insight into what their children are learning, share home-to-school experiences in a safe environment, and meet other families to benefit from a mutual support network.

Each week has a different emotion theme covering the main theory and learning, practical techniques and skills and an opportunity to share thoughts and develop a common language to help better support their children's social and emotional development and wellbeing.
