

Year 3+4 Curriculum Overview

Autumn Term 1

Writing

To make a strong start by practising our foundational skills. We will then write our own story with an animal as the main character.

Reading

How we can retrieve specific information from a text to answer questions and begin to look for clues to infer how a character may be feeling.

Maths

How we can use place value knowledge to successfully add, subtract, multiply and divide amounts.

Science

We will investigate how rocks and fossils are formed. We will recognise the components of soil.

Humanities

We will consider whether we would have preferred to live in the Stone, Bronze or Iron Age.

Art & DT

How we can use tone, texture and proportion in our drawing.

PE

We will be learning to swim or improving our swimming skills.

PSHE

Being me in my world. What's important and special about me? What important values can we see in others?

RE

Hinduism: Does visiting the Ganges make someone a better Sanatani?

Music

How to develop rhythmic, singing and notation skills, based on a South African theme.
