

Year 5 Curriculum Overview

Autumn Term 1

Writing

We will be exploring how language can be adapted to persuade and use and sustain a formal tone.

Reading

We will be discussing how the author's intent dictates the style of a book and how the language we use changes over time.

Maths

We will be extending our knowledge on the four operations and linking them to larger numbers and mathematical problems.

Science

We will be working scientifically to compare the properties and changes of materials.

Humanities

In geography, we will be locating world countries and studying biomes and vegetation belts.

Art & DT

In art, we will be learning what is meant by subtractive drawing. In DT, we will be investigating gears and pulleys.

PE

We will be learning about rugby and the skills we need to understand the game.

PSHE

We will be exploring being me in my world and thinking about who we are and how do we fit.

RE

We will be learning about how far a Sikh would go for their religion.

Music

How to compose short melodies to reflect different moods of the sky.
